### **Route 50 Lane Shift Rescheduled to Saturday, December 7**

The Route 50 lane shift originally scheduled for Friday, December 6 has been rescheduled to Saturday, December 7 due to expected bad weather. Beginning at 7:00 pm, this Saturday, December 7, there will be a shift of the eastbound lanes between Westfax Drive and Route 28 in Fairfax County.

Eastbound Route 50 will be shifted to the left between Westfax Drive and Route 28. The intersections of Avion Parkway and Lee Road will also be included in this shift. The necessary work to complete the traffic shift will start at 7:00 pm utilizing detour routes and temporary lane closures. Delays are anticipated during these operations and you should seek an alternate route. The detours and temporary lane closures will end around 7:00 am on Sunday, December 8.

As with any change in the traffic pattern, you may notice some additional delays following the lane shift while drivers adjust to the change. For more information on the Route 50 Widening Project, please visit the project website at:
